

Lithuanian Heritage Society of Rochester

Ročesterio Lietuvių Draugija

We are a tax-exempt 501(c)(3) non-profit organization in the Greater Rochester and surrounding areas. Our goals are:

Lithuanian Heritage – Our goal is to preserve and promote the culture and achievements of people of Lithuanian descent by protecting and fostering Lithuanian traditions, language, and knowledge of Lithuania's history for our present and future generations. This takes much work and many resources. We are very fortunate that our volunteers give a tremendous amount of their time and money to make things happen:

Rochester Organizations -

- Lithuanian classes for children and adults – Ed Gervickas Lithuanian Heritage School
- Lithuanian Radio Program, "Dainos Aidas"
- Lithuanian Scouts
- Lithuanian Folk Dance Group "Dobilas"

- Local chapters of organizations such as the Lithuanian American Community, Inc.
- Alytus-Rochester Friendship Committee
- Saint George (Šventas Jurgis) Roman Catholic Lithuanian Parish)

A Meeting Place – These groups and others need a place to meet and to provide opportunities to share resources. We are actively searching for a property suitable for our members and other Lithuanian-American organizations to meet, socialize, celebrate holidays, and have special events. Currently most of the activities occur in Our Lady of Lourdes Parish where St. George RC Lithuanian Parish currently resides and also celebrates Lithuanian Mass.

Charities – We provide support to charities, both Lithuanian and Lithuanian-American, subsidize Rochester area children that go to Lithuanian heritage camps, through fund raising, endowments, donations, gifts, contributions, and financial assistance.

Values – We foster a consciousness founded in traditional Lithuanian social, religious, and family values among young people.
